

2008-2009 WI FCCLA Community Service Project

Make-A-Wish Foundation of Wisconsin

MISSION Make-A-Wish Foundation of Wisconsin grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy.

Each year 268 wishes are granted costing on average \$5,000 each. The money stays locally within Wisconsin to help children in need. A child's wish is never denied between the ages of 2 and a half to 18 years old. There are 200 wishes pending at one time, waiting to be granted.

Our state goal is to raise \$10,000 total to sponsor the wish of one boy and one girl.

To make a donation make checks payable to: WI FCCLA
Mail to: Diane Ryberg
Department of Public Instruction
125 South Webster Street, P.O. BOX 7841
Madison, WI 53707-7841
